Prayer to Saint Michael, the Archangel

Saint Michael, the Archangel, defend us in the day of battle.

Be our safeguard against the wickedness and snares of the devil, may God rebuke him, we humbly pray, and do thou, O Prince of the Heavenly Host, by the power of God, cast into Hell Satan and all the other evil spirits who roam throughout the world seeking the ruin of souls.

Amen.

Institutional Prayer

All: Lord, we turn our life and will over to You that we will cease to struggle alone but instead allow You to lift us up on eagle's wings.

Leader: Saint Michael, defender of the Church of God, take us under your care and protection. And that in all things, may we love and serve God and others.

All: This we humbly pray. Amen.

Alma Mater Song

We sing to you dear Alma Mater
Your loyal Michaelians here
We'll hold forever in our hearts
Your shield of red, blue, and white.
We'll strive to always keep your name on top,
And never shall we fall.
We salute your dear Saint Michael,
Saint Michael, our home and pride! (2x)

We salute you dear Saint Michael,
Saint Michael! Saint Michael!
Saint Michael, our home and pride!

The Alma Mater song is the combine work of Mssrs. Rommel Alao, Rogelio Espino, Galanito Gonzales, and Rosauro Vasquez, who penned the lyrics and composed the music. It embodies the ideals, aspirations, and spirit of Saint Michael's College of Laguna. Every Michaelian must know it, understand its meaning, and sing it with fervor and respect.

Message from the President

Saint Michael's College of Laguna, from the vision of its founders, the Limaco family of Biñan, has committed itself to the ideal of teaching men and women the competencies, skills, and attitude that would raise their way of life, to give them a sense of value in themselves.

SMCL firmly believes that education is the most strategic of interventions that we can make in the lives of our countrymen.

It can carry us beyond the determination of will into the prosperity of means.

If we are to grow as a people, into fuller and richer lives, the first growth must take place in the Filipino mind.

This has always been our advocacy.

The School is a laboratory of life where we nurture our students' potential for them to bloom to the fullest, empower, and ennoble them so that they will be able to perform their roles as individuals and as men and women for others.

Welcome to Saint Michael's College of Laguna, our home and pride!

Lourdes Almada Sese, EdD
President

Brief History and Institutional Profile

On August 25, 1975, a brood of nine sisters from the Limaco family envisioned of providing quality education to the masses of Biñan, Laguna and its neighboring municipalities. Known for their integrity, religious and civic involvement, and business acumen, the sisters firmly believed that education should empower the least able and ennoble the most capable to improve their quality of life and in the long run, propel the whole community into growth and development.

To fulfill their vision, the Limaco sisters founded the Miguelunda Educational Corporation to run Saint Michael's College of Laguna (SMCL), formerly known as Biñan College. Two of the Limaco sisters played key and active roles in SMCL's founding. Pura Limaco provided the necessary financial support for the Institution's operations, while Milagros Limaco, a seasoned educator, was later elected as the Chairman of the Board and Director of the Institution.

Working under the inspiration of the philanthropic ideals of the Limaco patriarch, Miguel, after whom the Institution was named, Miguelunda Educational Corporation set out to establish a learning institution that provides quality education at reasonable costs and more importantly, addresses the demands of an education that is responsive and relevant to ever-evolving needs.

The College started offering Commerce, Junior Secretarial, and General Clerical programs in June 1976, with an initial enrolment of 115. In the next six years, additional college programs were opened: Graduate in Midwifery, Associate in Tourism, Preparatory Dentistry, Bachelor of Arts, and Bachelor of Science in Nursing, in addition to Secondary and Elementary education were offered later.

As the years unraveled the College's potential to bring out the best in the students that came under its care, Biñan College was renamed Saint Michael's College of Laguna in 1983, reaffirming its serious and focused position in performing its mandate and corporate social responsibility. In the same year, the Bachelor of Science in Elementary Education and the Bachelor of Science in Education were offered. Enrolment escalated at dramatic levels, especially with the closure of two private high schools in the area. This enabled the College to expand its reach and to touch more lives.

Milagros Limaco assumed the Presidency in 1986. In the years that followed (1990-1994), degree programs in Accountancy, Hospitality Management, and Computer Science; an associate degree in Computer Secretarial and a graduate school were opened.

Amidst these improvements, after twenty-one years of committed service, failing health forced Milagros Limaco to retire in 1997. Her older sister, Rosa Limaco-Cruz once again assumed the Presidency, with the assistance of a niece, Lourdes Almeda-Sese, Ed.D. as Executive Vice-President. It was during this time that the College took a dramatic transformation not only in the campus' physical infrastructure but also in service delivery.

The performance of the tandem leadership was marked by the construction of the Learning Resource Center in 1996 and the conversion of the covered court into an air-conditioned, multi-purpose hall.

Other developments included the initial offering of human resources management, and information services as majors under the Business Administration program (AY 1998-1999), the launching of the College community extension program, Lingkod at Pagmamahal ng SMCL (LINGAP-SMCL), and the forging of an academic exchange program with Namhae College of Gyeongsangnam-do, South Korea (1999), with the first term of the program commencing in 2000.

In 2004, Lourdes Almeda-Sese became the third College President after the retirement of Rosa Limaco-Cruz. Across the three generations, keeping the faith in maintaining a tradition of quality and excellence has been the leadership's living advocacy.

SMCL's success can be attributed to its academic strength, which has served as a source of pride not only in the SMCL community but in the region as well. The Institution maintains competitive faculty members plus a curriculum that adheres and reflects the current trends and changes in the different programs that it is offering. These are complemented by the Institution's modern facilities and technology that address the needs of each program.

With its high scholastic standards, SMCL's academic excellence has been acknowledged in the academic community. One of the foremost accrediting bodies of the country, the Philippine Association of Colleges and Universities Commission on Accreditation (PACUCOA), awarded SMCL with a Level III Reaccredited Status for its Liberal Arts, Business Administration and Education programs.

Likewise, the Nursing, Grade School, and High School programs received Level II Reaccredited Status and the Hospitality Management Program, Level I Accredited Status. The Computer Science program was granted Candidate Status.

The College was given the Gold Award by the PACUCOA for 100% of its programs accredited in 2015. It was also awarded Dereglated Status by the Commission on Higher Education in 2003 and has retained its status in 2009. In 2016, CHED granted SMCL Autonomous Status effective for three years.

SMCL has been awarded ISO 9001:2008 certification by TUV Rheinland effective 24 April 2014 until 23 April 2017 proving its commitment to be globally comparable and competitive in its operations. On April 7, 2018, the certification was upgraded to ISO 9001:2015 standards.

Undoubtedly, Saint Michael's College of Laguna will continue to mold minds, touch hearts, and transform lives. It will send forth to the world graduates imbued with the values of service, moral uprightness, commitment to excellence, and love for humanity and intercultural sensitivity. It earnestly hopes that these Michaelleans will aspire to share the fruits of their endeavors with their communities, with the country and the world. If they do and SMCL is certain they will, in their own individual ways; then the Institution can unequivocally declare with pride that it has been able to achieve what it has set out to do when it was founded.

College Philosophy

We believe that every student can learn and succeed, and that his or her potentials can be maximized in a nurturing, supportive environment that sets high expectations and provides the needed reinforcement and enrichment, to make this happen.

We recognize that authentic learning is dependent on the learner's self-motivation, inner sense of direction, and independent study skills to pursue life-long learning, initially for its own sake, and ultimately for the ensuing benefits thereof, not only for himself or herself, but more importantly, for the global (global and local) community of which he or she is an integral part. Knowing that authentic learning does not happen by chance, we conscientiously provide each learner with intellectual challenges and learning opportunities.

Saint Michael's College of Laguna is inspired by a genuine desire to serve mankind which will achieve a reasonable level of well-being to man by making him free from hunger and thirst. By so doing, man, liberated from his material needs is to use this very freedom to unfold to the fullest his abilities and eventually to share the fruits of his endeavor with the whole of humanity.

Thus, Saint Michael's College of Laguna provides a learning environment that will bring forth to the world individuals, who will embody the Michaellean ideal of service, moral uprightness, commitment to excellence and love for humanity.

Sanctions and Penalties

1. Penalties – The imposable penalties are here listed according to their gravity (from lightest to severest):
2. Warning and/or Admonition – this sanction is inherent in all types of disciplinary actions and may be imposed by the proper School official verbally, or in writing. A record of the penalty imposed and the offense for which it was imposed will be included in the student's file. This sanction is usually imposed on the first-time offenders for minor offenses.
3. Community Service – The school believes in the principle of redirecting the energies of offenders to more useful and productive ends to benefit both the offenders and the school in general. As such, in certain instances, the sanction of the Community Service is imposed for offenses, which would require the student to perform services to his students as a way of atoning for the offense he/she committed. Community Service is in no way intended to degrade or humiliate the offender, but is intended to make offenders be of service to his or her schoolmates by utilizing the skills that offender may have. This penalty shall be served by the student in the campus or immediately around the area of the campus to perform productive functions. The duration of the Community Service may

range from 2-20 hours of service depending on the gravity of the offense. This sanction is to be monitored by the Director/ Chair.

4. Probation – This is a more severe version of Warning or Admonition, as this would entail a written notice to the student and his/her parents/guardian that any further violations of the manual and school policies would warrant more severe penalties by the College. Students placed on probation may or may not lose certain rights or privileges that they enjoy (like positions in organizations) while under probation, depending on the gravity of the offense that they have committed.
5. Suspension – The College may suspend an erring student during the academic year or term for a maximum period not exceeding 20% of the prescribed school days per offense committed.
6. Non-readmission – This penalty is imposed on a student who committed an offense which makes him/her undesirable to be admitted by the College on the next term or academic year. While he/she will be allowed to complete the present term and get his/her transfer credentials, he/she will no longer be admitted on the term or academic year following the term when the resolution finding the student guilty of the offense charged and imposing the penalty of non-readmission.
7. Exclusion – this penalty where the offender is dropped from the roll of students during the academic year or term, immediately upon the promulgation of the resolution of exclusion (A student who dropped shall be immediately issued his/her transfer credentials).
8. Expulsion – this is the extreme form of administrative sanction, which not only drops a student from the roll but also declares the student disqualified for admission to any public or private school of the Philippines.
9. Other Measures. The following measures/actions may also be taken, concurrent with any of the above penalties, at the discretion of the responsible College official:
 - a. Public/Written Apology
 - b. Technical Suspension – while the student is not actually suspended, he/she will not be allowed to enter the classroom, attend classes or participate in school activities unless previously cleared by the Director/ Chair that he/she served the sanctions imposed on him/her. This type of suspension is not considered penalty/sanction.
 - c. Preventive Suspension – a student under investigation in a case may be preventively suspended from entering the College premises if the evidence of guilt is strong and the responsible

school official is morally convinced that continued stay of the student during the period of investigation would cause sufficient distraction to the normal operations of the College or poses a risk or danger to the life of persons or properties in the College. This type of suspension is also not considered penalty/sanction.

Parent-Teacher Conference Meeting – Parents/guardians may be invited for a conference meeting as may be deemed necessary by the school. This may be for the purpose of discussing the student’s academic or behavioral standing.

Complaints against Teacher or Other School Personnel

All disciplinary cases involving teachers shall be decided in light of the provisions under the labor law and employment manual.

Confidentiality of Records

All records pertaining to student investigation and discipline, such as sworn statements, documentary evidence and the like, shall be kept in strict confidence.
